## SERVICE INFORMATION

Welcome to Holsworthy OOSH and Vacation Care.

This service is operated by The Junction Works from a dedicated building within the grounds of Holsworthy Public School. The service provides quality child care for children aged 5 to 12 years before and after school, and during school holidays and pupil free days. The service is licensed to care for up to 70 children at any one session consequently a waiting list applies for some sessions.

The purpose of this Family Handbook is to provide useful information on policies and procedures as well as other important aspects of our program. We want you and your children to feel comfortable and to get the most out of our service. Read this handbook, keep it handy for reference but also feel free to contact us if you have any queries. Additional policies and procedures not outlined in this handbook can be found in the Holsworthy OOSH and Vacation Care's [Policies and Procedures Manual](#). This manual is available for you to view at any time so please speak to staff if you wish to access it.

***Our Philosophy:** The Junction Works' Outside of School Hours Care is a child-focused service. Children are encouraged to develop their physical, emotional and intellectual potential within a stimulating, supportive and safe environment. We value and respect each child's uniqueness and strive for the inclusiveness of all children, including children with additional support needs. We embrace the diversity of families and endeavour to work in partnership with parents in our planning for children's wellbeing and learning.*

### Our OOSH and Vacation Care Program

Holsworthy OOSH offers a nurturing, safe environment with a program that actively supports your child in their learning and development. Our program is based on the seven areas identified under the National Quality Framework (NQF) as priorities across the development, implementation and review stages:

- Education program and safety
- Children's health and safety
- Physical Environment
- Staffing arrangements
- Relationships with children
- Collaborative partnerships with families and communities, and
- Leadership and service management

Established in 2012 the NQF applies to all outside of school hours care services. The purpose of the NQF is to raise quality, and drive continuous improvement and consistency in education and care services.

Our program is planned by our Educators in consultation with the children and feedback from parents. The program incorporates fun play, leisure and learning activities and children are encouraged to participate in a variety of structured and unstructured learning and recreational activities. The program's schedule of activities is posted each week on the Communication Board in the foyer.

Healthy eating is promoted through the provision of healthy breakfasts, afternoon tea and cooking activities.

Our program is inclusive of children with additional needs. With our expertise in disability services, The Junction Works has the skills, capability and resources to meet the support and care needs of children with additional needs. Please contact us if you would like to discuss the extra support we can provide your child.

## Staffing

Our staff, referred to as Educators, work hard to ensure your child is cared for in a welcoming, supportive and stimulating environment. They are experienced, committed and dedicated to their profession.

All our Educators undergo the relevant child protection screening checks (as per NSW State requirements) before commencing employment at the centre.

## ENROLMENT AND ATTENDANCE

### Enrolment

An **Enrolment Form** is required to be completed prior to your child commencing at the service for permanent and casual bookings. A copy of your child's Birth Certificate and Immunisation Record is also required upon enrolment. These are all completed online via Xplor, which is used to manage bookings, sign your child/ren in/out and process your ccs.

If you have already submitted an Enrolment form for Before and After school Care, you do not need to complete another Enrolment form for Vacation Care.

To update your details and to confirm re-enrolment for subsequent years you will be required to complete an **Update Personal Details** form.

Parents will receive a copy of the Parent Manual and a pin code for access to the building upon enrolment.

### Confidentiality

Educators will maintain records and information on children and families that use the service in a manner that is respectful of every person's right to privacy and confidentiality.

## Service Priority

Priority for a place in the centre go to children of Australian Defence Force Families, Existing Families, Siblings, Holsworthy Public School Students, working parents, parents seeking work and parents involved in study. However, if the service is at full capacity the OOSH Nominated Supervisor will follow the Priority of Access Guidelines set down by Department of Education.

## Permanent and Casual Bookings

A permanent booking is one which does not change each week (for example, every Monday and Tuesday and every other Wednesday). Permanent days are charged at the permanent care rate.

A casual booking is a booking that changes every week. Casual bookings are booked weekly, one week ahead of time. Once a casual booking has been made you will be charged for this booking even if you decide to cancel or your child is absent that day. Casual bookings are charged at a higher rate (see fees below).

## Change of Days and Cancellations

We ask that you give two weeks' notice of your intent to change the days your child attends the service. If a space is available, a change in days may take place immediately, otherwise you will need to go onto the waiting list. (Please be aware that if two weeks' notice is not provided, you will be charged for the new days utilised as well as the days cancelled until the two-week period expires.)

We request that you notify the service of any cancellations to your usual booked days. This can be done using the Xplor home app.

## Signing In and Out

It is a legal requirement for you to sign your child in and out of the service at the time of arrival and departure. Only an adult who is over 18 years of age and is an authorised nominee for collection of your child can legally take responsibility for signing in and out of the service.

## Authorised Collection of Children

**NO CHILD WILL BE HANDED OVER TO A PERSON WHO HAS NOT BEEN NOMINATED OR CONFIRMED BY YOU.**

To ensure the safety of children attending the service, Educators are required to follow certain procedures when children are collected by a person other than the nominated adult.

If this person has been nominated over the telephone by the parent, staff will write down the details of the telephone call including the name of the person who is to collect the child. Upon collection of the child, staff will seek identification from the person collecting the child, a photocopy or photo of identification will be taken

If a person who has not been nominated by a parent arrives to collect a child, staff will immediately contact the parent to seek clarification. No child is to be collected from the service by a nominated person under the age of 18 years.

## **Absence Notification**

It is important to notify staff at Holsworthy OOSH and Vacation Care if your child will be absent from any session, to avoid raising unnecessary concerns. This can be done via the Xplor home app or calling the service.

For after school sessions, Educators need to be notified before 2.30pm on the day that your child is booked in to prevent a Search Fee being raised.

If you are unable to contact the staff during Centre hours, please leave a message on the centre's answering machine. Phone: 9825 3080.

## **Late Collection of Children**

Your child must be collected by 6pm from Holsworthy OOSH and Vacation Care, as the service is only licensed to operate within the stated service hours (see above).

An Educator will contact you or the authorised emergency contact person if your child has not been picked up by 6.05pm. Please be aware that if no authorised person comes to collect your child, we will contact the Department of Community Services to collect your child.

A late fee of \$20.60 per 15 minutes per child will be charged. Continued late collection of your child could result in the loss of placement.

## **Withdrawing from the Service**

You are required to provide two weeks' notice in writing of your intention to withdraw your child from the service.

A **Change of day and Withdrawal form** can be obtained from the service. This form must be completed and handed back to OOSH staff.

The OOSH Nominated Supervisor will arrange for a final account to be drawn up for the two week period calculated from the actual date of notification. If a family gives less than two weeks' notice, this does not affect the final account which will still be calculated at two weeks.
