Coordination

The Junction Works' Support Coordination Service is designed to assist you to maximise the full value of your NDIS Plan and to coordinate your supports. *We reduce the complexity while you remain in control.*

# SUPPORT COORDINATION

Partnering with you to get the most out of your NDIS Plan

## I have my NDIS Plan... but where to from here?

The NDIS is empowering individuals to find and connect with the right supports and services to live the life they desire. A Support Coordinator is someone who could be funded in your NDIS Plan to help you do just this!

## Support Coordination at The Junction Works involves:

### CONVERSATION

We will talk with you (and your family) about any questions and concerns you may have, as well as the range of options available in your NDIS plan.

### EXPLORATION

We will help you to explore services and specialists who can provide you with the right supports that will help you to achieve your goals.

### COORDINATION

We will help you to link with your chosen service providers, complete your service agreement(s) and assist you to navigate the myplace NDIS portal.  
We reduce the complexity while you retain control.

If you're seeking advice about your NDIS Plan, our SUPPORT COORDINATORS are your best point of contact! Call The Junction Works today for a friendly and confidential chat on **(02) 8777 0500**, or email us at [referrals@thejunctionworks.org](mailto:referrals@thejunctionworks.org).
