SUPPORT COORDINATION

We partner with you to ensure you get the most out of your NDIS Plan!

I have my NDIS Plan...

What's next?

If you have Support Coordination funded in your plan, a Support Coordinator can help you to find and connect with the services you need to meet your NDIS goals.

Finding the right services and supports for you is about your choice and control.

Your Support Coordinator will also support you to develop the skills you need to understand NDIS processes and make decisions about your supports.

Support Coordination at The Junction Works involves...

CONVERSATION

Talking with you (and your family) about the range of options available in your NDIS Plan as well as any concerns you may have.

EXPLORATION

Helping you to explore a range of services and supports that will help you to achieve your NDIS goals.

COORDINATION

Linking you with your chosen service providers, completing your service agreement(s) and assisting you to navigate the MyPlace Portal.

We reduce the complexity while you retain control.

We will work creatively and resourcefully with you to help you utilise your support budget to achieve your goals. We will assist you to build your capacity to make choices and implement your supports.
